PETER HAMMON Adv Dip FS (FP)
Managing Director - Sound Steps
Authorised Representative -
Matrix Planning Solutions Limited - AFSL 238256

Peter Hammon has been helping people to take *soundsteps* towards realising their financial goals and aspirations for nearly 40 years.

Always at the forefront of his profession, Peter was a founding shareholder of Matrix Planning Solutions Limited. Formed in 1999, Matrix Planning Solutions Limited is an Australian Financial Services Licensee (AFSL) & Credit Licensee (ACL). Matrix is owned by ClearView, an Australian owned company, listed on the ASX. Neither ClearView or Matrix are owned by, or aligned with, any large national or international financial services institutions.

Residing in leafy Burradoo and having his office located here in the beautiful Southern Highlands of New South Wales, Peter has been highly involved in the local community for many years.

Board Member and past President of the Rotary Club of Moss Vale, Peter is also honoured to be a Paul Harris Fellow, receiving that prestigious Rotary Award for his services to the community. Also a strong advocate for the business community, Peter was recently a Board Member of the Bowral Chamber of Commerce.

Peter and his wife Janet have 39 years of happy marriage to celebrate, having 3 beautiful daughters, Jenny, Sarah and Lucy. More joy has come in recent years with the arrival of 6 gorgeous grandchildren, Alexander and Lorelei to Jenny and her husband Peter, Joshua, Benjamin and Harry to Sarah and her husband Shane, and Darcy to Lucy and her husband Daniel.

Leisure time for Peter involves an interest in varied sports. Golfing has long been a passion for Peter. Typically he can be seen on the course at the Moss Vale Golf Club and contributing as a Board Member of the club.

Love of family, golf and life in general sum up Peter, who has secured the services of a friendly team of financial planning professionals dedicated to helping you understand those *soundsteps* you may need to take to achieve *your aspirations*.
